Re: Response to Motion

The following report is in response to the motion by Jackie Doherty:

## Citywide Family Council Annual Update

by Jackie Doherty: Request the Superintendent invite leaders from the Citywide Family Council to make their annual presentation updating the school committee on their work to engage families.

The Office of Equity and Empowerment extended an invitation to the Citywide Family Council to present to the School Committee in the fall, and the response to the request was that the Council anticipates presenting in the spring.

As spring-time is quickly approaching, the Equity and Empowerment Office will reengage this topic with the Citywide Family Council and identify a date for when the CFC would like to make their annual presentation.
